Dear Parents/Carers,

The aims of Brockley Primary School Breakfast Club is to offer a safe, secure and friendly environment in which children can enjoy a healthy and nutritious breakfast under the supervision of qualified staff. In accordance with Brockley Primary School's healthy eating ethos the role of the club is to provide a healthy breakfast served in a relaxed and supervised environment providing the best start to the day for our children.

The Breakfast Club will open term time only for children in Reception to Year 6 – weekdays Monday to Friday from 8am until 8.40am. Places must be pre-booked unless in an emergency when you require support for an unexpected occasion, please speak to the office staff if this is needed.

Breakfast served will differ daily to give a broad and balanced diet. However, following parent feedback from our recent review we would like to ensure all diets are catered for and the provision meets the expectation of parents/carers. Therefore the list of foods served is as follows:

- Bacon
- Sausage
- Ham
- Cheese
- Bread
- Yoghurt
- Fruit
- Jam
- Honey
- Chocolate spread (low sugar variety)
- Fruit juice
- Milk
- Various cereals (some children prefer sugar to be sprinkled on certain ones)

As parents we ask you to review the provision and if there are foods amongst the list that you would rather your child did not receive then please complete the slip below. If we do not receive notification then we will assume you are happy for your child to make their own decisions on a daily basis.

Thank you for your continuing support,

The Breakfast Club Team
