

Hello from France,

We have written some presentation of ourselves for you. Our teacher help us for this letter because we are not so good in english.

We'd like to send you our letters by mail. So we ask you your school adress.

During the time you are waiting we will try to send you messages on what we are doing in our class. So you could know us a little.

Last Week we went to Changé to see megaliths and dolmens. Here you can see one of the first writing ( There is 5600 years). It was interesting.

Voici notre classe avec notre maitresse et un archéologue. This is our class with our teacher and an archeologist.

Les fouilles

Un dolmen cassé- A broken dolmen-

Today we went to the feast of Science in CHARTRES. We makes some experiences to make colours with red cabbage, make a fire as the prehistoric humans, weigh things.... We liked it.

Une expérience pour faire des couleurs à partir de choux rouge.

Utiliser des balances avec des poids.

Jouer à un jeu sur notre région.
