Newsletter September 2017

We hope you have had an enjoyable summer. The children have certainly had lots of exciting stories to share about their travels and visits during the holidays.

A very warm welcome to our new children and their families, we hope you find Brockley to be a welcoming community, please don't hesitate to ask a parent or member of staff if you have any questions or queries because by working together we can ensure that your child can grow in confidence, with a love of learning, and a determination to be the best person they can be.

Please ensure that as parents and carers you put a great value on school and education. Explain to your child that treating everyone with respect, being on time and in school everyday, wearing the correct uniform and working hard in school is important to you. These are such important life skills that will help them succeed.

Arriving at School

To enable the school day to begin promptly please encourage your child to enter the building independently with all their belongings ready for the day ahead. If you need to discuss anything with a classteacher, please make your way to the office or inform a member of the team on duty who will pass the message on. For safeguarding reasons we ask that you do not enter the building via the corridors.

Home time Arrangements

All children must be collected on time at the end of the school day, by the designated parent/carer. Please ensure your junior age child is aware of home time arrangements, i.e. if they are to wait for an adult to collect them, or they are to go home alone or to go to the after school club - we will not let your child go home unless we are notified.

Dates for your diary

Over the coming days you will receive information about the academic year for your child's specific class as well as dates for your diary involving the whole school, the website is regularly updated so please make sure you check your child's bag and visit us online at: www.brockley.derbyshire.sch.uk

One date that I would like you to put in your diary is Thursday 14th September at 9am we will be holding a Macmillan Cancer Coffee Morning and saying goodbye to Mrs Cox who I informed you before the summer has decided to retire. If you would like to donate cakes or buns to be sold during the morning please pop them into the office on 14th September all proceeds raised will be donated to Macmillan Cancer Support charity.

Croup

We have had a report of croup in school. Please read the information attached to this newsletter.
