

# Brockley SEND Information Report Lockdown

Special arrangements in relation to national lockdown due to COVID-19.

From January 2021, the government announced another national lockdown.

Following the guidelines provided by the government, which can be found below:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>

Brockley will be providing the following:

- Children will be taught in 'bubbles'
  - Nursery, Reception, Year 1 & 2
  - Year 3, 4,5 & 6

Each bubble will have set teachers and teaching assistants assigned to it.

- Children will have access to their relevant curriculum through planned lessons, set by class teachers, which take into account the need for a 'recovery curriculum', to cover any knowledge and skills missed during the Covid-19 pandemic as well as any well-being needs children may have.

**If a SEND child is at school or home:**

Children will have access to all provisions as listed in SEND Provision section of the SEND information report. These include:

- Provision required for a child to meet the outcomes on their Education Health Care Plans.
- Visual supports such as visual timetables, working memory boards, now and next cards or task cards.
- Coloured overlays and sensory resources
- Technology where appropriate, such as laptops and iPads.
- Access to Theraplay activities and resources to support emotional well-being, such a social or emotional stories.
- Online provisions where appropriate

**For children in school:**

- In class provisions, such as precision teaching, Numicon, Occupational Therapy activities and SALT activities.

**For children at home:**

- Online interventions via SeeSaw, Dojo, Microsoft Teams or Zoom, such as precision teaching, RWI Interventions and SALT activities.
- Pre-recorded lesson and activities provided by the class teacher or Teaching Assistants.

### **For all SEND children:**

- Interventions will take place within bubbles or via SeeSaw, Dojo or Teams.
- SEND children will have access to break out spaces, should they need time out of their classroom for any reason relating to their SEND needs.
- Children will have access to Behaviour Support Plans should they need one.
- SEND support plans will continue to be in place for children on the SEND register and reviews will be conducted via Teams or telephone call.
- EHCP annual reviews or meetings will be held via Microsoft Teams/telephone call with professionals and parents.
- Outside agencies will begin providing interventions within school or online via Microsoft Teams/telephone calls, where necessary, following all guidance on social distancing and hygiene.

**The offer shown below applies to any children that are being taught remotely.**

As stated in the government guidance:

*‘Where a class, group or small number of pupils need to self-isolate, or there is lockdown requiring pupils to remain at home, we expect schools to have the capacity to offer immediate remote education’.*

Should there be a case for children to work from home, Brockley will ensure:

- Work will be set by class teachers. It will take in to account the needs of the pupils in their classes and will follow a well-sequenced curriculum so that knowledge and skills are built incrementally, with a good level of clarity about what is intended to be taught and practised in each subject.
- Teachers will check work regularly to gauge how well pupils are progressing through the curriculum.
- Daily contact with children via SeeSaw or Dojo, an email or a telephone call, to ensure that pupils outcomes are kept at the forefront and that their emotional needs are being met.
- Class teachers will set a mix of blended work (live or pre-recorded lessons and online work set on the school website) and provide resources for individual SEND children relating to the outcomes/targets on their EHCP or SEND support plans.
- Class teachers will use remote education resources such as Oak National Academy specialist content for pupils with SEND. This covers communication and language, numeracy, creative arts, independent living, occupational therapy, physical therapy and speech and language therapy. This will complement the other remote education resources set by the class teacher where applicable.
- We will provide printed resources, such as workbooks and worksheets for pupils who do not have suitable online access and where it is not appropriate.

Parents of SEND pupils may continue to require our support at this time and the messaging facility on T2P, Dojo or SeeSaw allows for private conversations to be had between staff and parents. The SENCO can be reached at [Headteacher@brockley.derbyshire.sch.uk](mailto:Headteacher@brockley.derbyshire.sch.uk)

External agencies should continue to provide services either face to face or remotely. The school SENCo will liaise with services to ensure provision is being offered. We will ask them to become involved if necessary following the usual graduated response process detailed above.
