Protection of Biometric Information Of children in schools and Colleges Statutory Policy Statement

Biometric information is data held about an individual's physical or behaviour characteristics that can be used to identify a person. This may include a person's fingerprints, facial shape, retina or iris patterns and hand measurements.

The Governors of Brockley Primary School do not formally adopt the Protection of Biometric Information of children in schools and Colleges Statutory Policy. Presently, Brockley Primary School does not collect, process or store any biometric information relating to our pupils.
