**Headteacher: Mrs Caroline Rodgers**  
**Senior Teachers: Mrs Debbie Monk & Mrs Emma Knight**

In accordance with the School Asthma Policy formulated by Derbyshire Partnership Trust, alongside the DH/DfE Managing Medicines in Schools document we we have been advised that every child who has been prescribed a reliever inhaler should have access to a reliever inhaler and spacer for use in school should it be required.

We are implementing individual school asthma care plans for each child to ensure they have immediate access to a reliever inhaler in school.

Would you kindly prescribe two reliever inhalers and spacers to be used in school.

Thank you for your attention.

Yours Sincerely,

Mrs Caroline Rodgers  
Headteacher
